August Sermon Series - "EXPONENTIAL"

When you make a choice, its effects ripple further than you can see. When you plant a seed and nourish it, it can grow beyond your wildest expectations. And when you add to the work God is doing, He can multiply it into something Exponential. This series explains

that God has a different economy than we do, and that His ways are higher than ours. When we're generous with our time, energy, money, or talents, He can cause them to affect more people than we could every imagine.

2018 Church Picnic

Our fourth annual church picnic will take place on **Sunday, August 5th** following our morning service at the Wilmot home in Mt Joy.
